Stefany Sighn Co-Owner of ES Team Productions. She has obtained her Honours Bachelors of Arts degree in Political Science from York University in North York, Ontario. As well as pursuing her educational goals and working in the corporate and financial world for over 4 years, Stefany has had the privilege of participating in many of the nations most recognized pageants. In addition to participating and earning the honor of Ms Entrepreneur Award she is also assisting with the preparations for Ms World Toronto 2005. Stefany will share with you how as a young entrepreneur maintains her pasture in the face of challenges, the drive behind what she does; and how it changes/empowers the lives of other young women within our community at a personal and professional level where beauty is build from within in order to succeed today and tomorrow.
