Plaque <https://10.21.178.100/> Rosaria Russo, the Chamber's Vice-president to some of the "founding members". The **Consul of the Dominican Republic** was publicly acknowledged and was handed a "\$10,000 certificate of donation" of brand new children's clothing, in order to help an orphanage with 350 children in Santo Domingo, operated by nuns.

The Chamber announced that to date, they have in place six "strategic alliances/convenios", with professional and business organizations, in the City of Toronto, which will make the Chamber stronger!

Another surprising announcement was the Chamber's sponsorship of "Miss Latina Canada World" pageant to be launched officially in Ontario, in the month of April for the first time ever. Stefany Singh, the Executive Director of such (internationally) prestigious event, publicly thanked everybody for their support, and encouraged the audience to refer beautiful and "talented" Latin women to her pageant.

Mauricio Ospina, representing "habla" went on stage to promote the "Amigo" conference and exhibition, which will take place on May/15/05 at the YMCA, located at 20 Grosvenor St., downtown Toronto. The Canadian Hispanic Chamber of Commerce is proudly collaborating with this conference and exhibition, and encourages your participation.

In closing, Roberto Hausman, once again emphasized the importance of their motto "**UNITED WE ARE STRONGER**", and encouraged the large audience to help each other, to do business with each other and to continue **making our Hispanic community more and more vibrant, progressive and NOTICED!**
