» WINTERFEST BOAT PARADE WHITE PARTY

The Seminole Hard Rock Winterfest Boat Parade kicked off the Holiday Season with their White Party at the brand spanking new Ft. Lauderdale Beach Hilton right on the world famous strip. It was a night of fifties performances, networking and photo opportunities. It was also a night of great eating as the evening featured winners of Sara Lee Culinary Contest and sampled by our Miss Florida USA 2009 Anastagia Pierre and the other party goers. This is the biggest event in Broward County so you know the dignitaries were all gathered here.
