Miss Latina Canada World 2005 was held last night at Markham Theatre (Toronto, Canada). The show was spectacular, displaying the spirit of the beautiful Latino culture. There were numerous dance performances by dance pros...perhaps a bit too much as we were all on the edge of our seats, anticipating the results through the well-organized 3 hr show. The pageant was hosted by **Roanna Sabeh Azar** & proceeds from the raffles were donated to [Fragile X Research Foundation of Canada](#).

Winner was 20 year old **Daniela Cruz** of Etobicoke, who's a 2nd year York University student. She was the clear winner from start to finish, displaying poise, beauty, confidence & intelligence. During the interviews, she ROCKED & it was critical as the interviews were worth 50% of the final score (30% gown, 20% swimsuit).

1st RU **Paolo Medina** had one of the best gowns of the competition (strapless satin mint green) & delivered a great interview during the final question.

2nd RU **Michelle Roscano** was absolutely mesmerizing in the evening gown segment. Her gown was perfect for the occasion (white, long, & flowy) & she moved with grace & elegance.

Hats off to everyone, especially **Stefany Singh** (president of ES Team Productions), as it was her first pageant production. It was pretty darn impressive! Special thanks to pageant pro **Jimmy Steele** for inviting me to the lovely show. I had so much fun!
